### PLEDGE OF ALLEGIANCE

**APPROVE AGENDA** – Clerk Kramm, supported by Trustee Blackstock, moved to approve the agenda. Carried.

**APPROVE MINUTES** – Treasurer Beaudua, supported by Trustee Horn, moved to approve the minutes of March 21, 2016. Carried.

**PUBLIC COMMENT** – Rochelle Wesley, 5368 Vista Belle Court said the property behind her, 717 Meisner Road which is owned by Randall Kohn, looks like a junk yard. Kohn keeps moving equipment and boats in and out and the seawall is falling in. Patrick Aubry, 5376 Vista Belle Court, complained there are multiple RV's, trailers, crates full of wood, two 500+ gallon storage tanks, debris, etc. being stored at 717 Meisner and the property owner is continually hauling items in. Larry Rombach, 706 Meisner Road, said there are six boats, a motorhome directly facing him and a commercial truck on the property at 717 Meisner Road. Every spring, summer and fall Kohn sells boats and other items all the time. People come and park in Rombach's driveway and he is not happy with the situation across the street.

Supervisor Simons said two years ago the Sheriff Deputy was at 717 Meisner Road and all the boats were licensed in Randall Kohn's name.

Residents in attendance said there are many items including construction equipment, a backhoe and a bulldozer, etc. on the property.

The property is located in a residential area and it is being used as a junk yard. Township Officials have been in touch with the property owner many times and the DEQ is aware of fill being added to the property because areas of the property are located in the floodplain.

Frank Kulwicki of 5596 River Road, said John Hood, owner of 5600 River Road, runs a landscape company out of his garage and he does not live in the home. Frank claimed Hood has filled in the yard with dirt all the way back to Belle River and has installed a driveway with no culvert. Frank has had past problems with the neighbor. Michelle Shackett, the property owner at 5596 River Road, just received a letter about obtaining a fence permit for sections of privacy fence recently installed on her property.

Frank said he has only replaced the bad fence panels that were already there. There are piles of concrete and stones in the yard. Because of wet spring conditions Supervisor Simons agreed to extend the deadline to May 27, 2016 for Michelle Shackett to clean up all of the ongoing blight issue on her property.
