#### **SECTION 2. AMENDMENTS.**

1. The Code of Ordinances, Chapter 195, Cemeteries, is hereby deleted and replaced with the following:

An ordinance to protect the public health, safety and general welfare by establishing regulations relating to the operation, control, maintenance and management of the cemetery owned, controlled or operated by the Charter Township of East China, in St. Clair County, Michigan; to provide penalties for the violation of said ordinance, and to repeal all ordinances or parts of ordinances in conflict therewith.

### **THE CHARTER TOWNSHIP OF EAST CHINA (“Township”), COUNTY OF ST. CLAIR, MICHIGAN ORDAINS:**

#### **§ 195 - 1. Title.**

This Ordinance shall be known and cited as the “Rosehill Cemetery Ordinance.”

#### **§ 195 - 2. Purpose and Intent.**

The Charter Township of East China Board recognizes and concludes that the proper and reasonable maintenance, appearance and use of the cemetery owned or controlled by the Township is an important function of the government of the Township. It is also important that burials, disinterments and other matters associated with a municipal cemetery are handled in a respectful and proper way in order to promote the safety, public health and general welfare of the community. The Township Board finds that the adoption and enforcement of this Ordinance is in the best interests of the property owners and residents of the Township.

**§ 195 - 3. Definitions.**

- (a) A “cemetery plot” shall consist of an area in the Township cemetery sufficient to accommodate one burial space for one deceased person. It shall consist of a land area at least forty (40) inches wide and ninety-six (96) inches in length. Exceptions may be made with Township permission to accommodate an infant burial or the burial of cremains.
- (b) A “columbarium” shall consist of a structure containing a group of niches in the Township cemetery. Each niche is sufficient to accommodate two inurned cremains.
- (c) “Township” means East China Charter Township.
- (d) “Township cemetery” or “cemetery” means any cemetery owned, operated and/or controlled by the Township.

**§ 195 - 4. Sale of Cemetery Plots and Columbarium Niches; Nontransferable.**

- (a) After the effective date of this Ordinance, cemetery plots and columbarium niches shall be sold by the Township for the purpose of burial or placing inurned cremains for the purchaser of a cemetery plot or columbarium niche, or his or her immediate family. No sale shall be made to funeral directors or others, except for those acting as an agent for an eligible purchaser.
- (b) All sales and transfers of cemetery plots and columbarium niches shall be made on a form approved by the Township Board and signed by the designated Township official, which grants a right of burial only and does not convey any other title or right to the cemetery plot, columbarium niche or burial space sold. Such forms shall be signed by the Township Clerk or Deputy Township Clerk, and shall constitute a permit when approved.
- (c) At the time of purchase from the Township, each cemetery plot or columbarium niche shall be assigned the name of the specific person who shall be interred in that plot or niche upon death.
- (d) Cemetery plots and columbarium niches may be sold back for the original purchase price to the Township, for resale by the Township.
- (e) The Township Board shall have the authority to place a limit on the number of cemetery plots and columbarium niches sold to a particular person, as well as such person’s family and relatives. Furthermore, the Township shall have the absolute right and discretion to determine whether a particular cemetery plot(s) or niche(s) will be sold to a specific person and where such cemetery plot(s) or niche(s) will be located within the Township cemetery. Such decision shall be based upon reasonable factors, including, but not limited to, the number of vacant cemetery plots and niches available and whether family or relatives of the person seeking to purchase a cemetery plot(s) or niche(s) are buried adjacent or nearby the cemetery plot(s) or niche(s) requested.

- (f) The Township shall have the right to correct any errors that may be made concerning interments, disinterments, or in the description, transfer or conveyance of any cemetery plot or columbarium niche, either by canceling the permit for a particular vacant cemetery plot or plots, niche or niches and substituting and conveying in lieu thereof another vacant cemetery plot or plots, niche or niches in a similar location within the cemetery at issue or by refunding the money paid for the cemetery plot or niche to the purchaser or the successor of the purchaser. In the event that an error involves the interment of the remains of any person, the Township shall have the right to remove and transfer the remains so interred to another cemetery plot or niche in a similar location in the same Township cemetery in accordance with law.

**§ 195 - 5. Purchase Price for Cemetery Plots; Columbarium Niches and Indigent Burials.**

- (b) All charges shall be paid to East China Township.
- (c) The Township Board may waive some or all fees for the burial of indigent persons. Furthermore, the Township Board may set aside a portion of a Township cemetery for the burial of indigent persons.

- (b) No cemetery plot or columbarium niche shall be opened or closed except under the direction and control of the Township Sexton or such other individual as designated by the Township Board. This subsection (b) shall not apply to any grave opening, disinterment, or similar matter which is done pursuant to a valid court order or under the supervision and direction of local or state health department authorities; however, even in such cases, the Township Sexton shall be given at least twenty-four (24) hours' prior notice of when such grave opening or closing will occur.

The Township shall make reasonable attempts to contact the owner of the cemetery plot prior to any such work beginning.
- (e) The maintenance, repair and upkeep of a cemetery memorial, marker, urn or similar item is the responsibility of the heirs or family of the person buried at that location.
