

**EAST CHINA TOWNSHIP PARK COMMISSION IS SOLICITING BIDS TO
INSTALL A CULVERT IN OUR MAIN PARK
701 RECOR ROAD
EAST CHINA, MI**

PROJECT DESCRIPTION

Install a culvert in stream in west area of woods in Main park. The culvert has been sized and drawings are available at the East China Township Hall. BMJ Engineering has created the specifications and filed for the DEQ permit.

**Remove existing supports from old foot bridge.
Remove logs that have been placed across the stream to form a temporary bridge.**

**This culvert will create a crossing over the stream at the west end of the park.
The culvert will be covered with dirt and gravel according to specifications.**

**Please provide restoration (as a separate line item) of any damage caused in the process of installing the culvert including in the process of moving materials to the work site.
(This would include ruts in the grass)**

**Sealed bids will be received until July 10th at 4:00 pm. Please mark as Culvert Bid,
Attention Deanna Slanac, Park Manager.**

Bids will be opened at the East China Township Hall at 9:00am on July 11th.

Work must be completed by October 14th or there will be a \$250.00 per day penalty for each day past the completion date.

Remit to:

CHARTER TOWNSHIP OF EAST CHINA
5111 RIVER ROAD
EAST CHINA, MI 48054-4900
