

BEAUTIFICATION COMMITTEE

JUNE 4, 2009

Call To Order: By Kramm at 6:00 p.m. at Township Hall with members Boyer, Johnson and Schrinier present. McBride excused.

Minutes: Motion to approve May minutes with one correction by Schrinier. The September lecture will not include information on drying herbs. Supported by Johnson. Carried.

Treasurer's Report: Balance \$3,024.39. Motion to approve by Boyer. Supported by Schrinier. Carried.

Old Business: A speaker has been obtained by Kramm for the July 2nd meeting. MSU Extension Office will send someone to talk on the new Gardener's Web Site. We still need a speaker for October - Kramm is still checking on the star guy. Planting is completed at township hall and the cemetery. We are trying artificial greens at the entrance of Rosehill Cemetery due to the difficulty with watering there.

New Business: The new township crew has started working and seem to be doing a good job. The new park manager, Tom Shortal checks each park weekly for needs. The crew spends 1 day each at Manor Park, the River Park (Marwood), and the Memorial Garden and Rivera Park, and 2 days at Township Park at M-29 and Recor Road. We would like to request that they water and fertilize at each location while they're working. Kramm will bring it up at the Parks Commission meeting. River Park (Marwood) beds need checking, cleanout and plant tagging. Johnson will check the location and do some work there with possible addition of new flowers. The Tunison Foundation has been established in memory of Renne Tunison by her husband. Discussion at the next meeting on possible project suggestions. Kramm will check on obtaining a crew of community service workers for June 20th for cleanup and mulching at the Memorial Garden.

Adjourn: Motion by Boyer at 7:00pm. Supported by Schrinier. Carried.

Agenda for July 2nd at 6:00 followed by the lecture at 7:00 pm:
